### **LOGAN COUNTY GOVERNMENT OFFICES OPEN MAY 4 WITH RESTRICTIONS**

As Colorado transitions to the Level 2: Safer at Home COVID-19 response, Coloradans are no longer ordered to stay home, but are strongly advised to stay at home. Critical businesses are open and non-critical businesses are operating with restrictions.

In that regard, the Logan County Courthouse and other county government offices will open to the public on Monday, May 4 with restrictions.

The public is encouraged to continue to conduct county business over the phone, online, or by utilizing the drive-up drop box located in the Courthouse south parking lot if possible. Customers are urged to only enter the courthouse for essential business that cannot be handled through the non-face-to-face options.

Customers needing to conduct essential business in the courthouse are asked to not come in if:

- You are sick
- You have a cough
- You have a fever

Social distancing rules will apply inside the courthouse for the safety of the public and staff:

- Please wear a protective mask
- 6-foot distance when possible
- Limited people in office space at a time
